D. F. Bolton introduced the following Ordinance:

ORDINANCE NO. 9A

An Ordinance Regulating the Installation of Sanitary Water Closets, Privies, Dry Closet Toilets or other Method of Sewerage Disposal within the Corporate Limits of the Town of Wilsonville, Alabama.

Be it ordained by the Mayor and Town Council of the Town of Wilsonville, Alabama, as follows:

SECTION ONE. It shall be unlawful for any person to construct or maintain within the town any dwelling, building, premise or other place where human beings reside, are employed or congregate; or to rent, lease, use or permit to be used for such purpose, any such dwelling, facilities for disposal in a sanitary manner, of human and household wastes. The method, type, construction, and location of these disposal facilities shall be in accordance with the provisions of this Ordinance.

SECTION TWO. The Shelby County Board of Health, or its duly authorized representatives, is hereby empowered and directed to make such inspections and investigations and to take such legal steps as may be necessary to regulate and control the type, construction, capacity, location and use, and to cause to be maintained in a sanitary condition all such facilities, privies, toilets, water closets and all appurtenances thereto or used in connection therewith in the city, and it shall be unlawful for any person to use or maintain in the city any privy, dry closet, toilet, water closet, or other method of sewage disposal not in accordance with the provisions of this ordinance or not in accordance with the regulations and specifications general and uniform in their nature promulgated by the Alabama State Board of Health.

SECTION THREE. Septic tanks of types approved under State and County Regulations may be constructed only upon issuance of a health permit by the Shelby County Health Department or its duly authorized representatives, to serve premises where sanitary sewers are not available, the construction of same to be inspected and approved by the Shelby County Health Officer or his duly authorized representatives before being covered. The health permit for construction of such septic tanks shall also provide for the agreement to connect to sanitary sewer system when same is available to such premises.
