Mr. Newman distributed information concerning the Shelby County Bike Loop Project. Part of the loop will involve Highway 61 in Wilsonville. The county is requesting each town or city involved to designate five parking spaces for the bikers to park their cars while using the Bike Loop. The Town will receive a large bike rack and the county will line off the parking lot. There was discussion. Everyone felt this

will be a good thing for the Town. More information will be presented at the May council meeting.

Melissa Rosetta spoke about the June 27<sup>th</sup> Celebration which will include dedication of a historic marker and the arches at the cemetery and a marker at Town Hall for The Year of Alabama Small Towns and Downtowns, as well as the annual God and Country Celebration. Mayor Liveoak would like to have refreshments inside the Town Hall following the two dedications. Mrs. Rosetta will get prices from DJ's Barbeque and Coyote Grill N More for the food at God and Country. Prices for these items will be presented at the May council meeting.

Rebekah Kendrick addressed the council about speeders on McGowan Road. The speeding takes place mainly when Yellowleaf Park is in use for either practices or games. She is concerned for the safety of small children who live on McGowan. The deputy has patrolled the area. As long as he is there, the traffic slows, but as soon as he leaves, it becomes a problem again. Speed limit signs and children playing signs have been placed on the street. Mrs. Kendrick would like to have speed bumps installed. Mr. Newman read a letter to Mrs. Liveoak from the Shelby County engineer stating Shelby County does not install speed breaks or stop signs to control speed. There seems to be a dispute about whether McGowan Road is a county road or a city street. Mr. Newman stated he will look into getting strips of some kind.
