#### Council Comment

Don Davis asked Richard Atchison (Commercial Development Authority member) the status of getting a bank in town. Mr. Atchison stated there is no progress yet.

Mayor McCarty reported on the meeting he attended concerning the school resource officer for Wilsonville Elementary School. Attending the meeting, in addition to Mayor McCarty, were a representative of the Shelby County Board of Education, Shelby County Commission, and Shelby County

Sheriff's Office. The Town will receive \$8,000.00 to go toward funding for an officer. If the Town hires half a deputy, the total cost will be \$40,000.00, and when school is not in session, he or she can do a four hour shift where needed. The consensus of opinion of the council is the Town should not have to bear any of the expense; it should be the responsibility of the Shelby County Commission since the school is not a city school but a county school. It was stated the Commission has funds in reserve which could be used for this purpose. Although all are in agreement with this, there seems to be no way around the Town bearing the expense.

Richard Atchison asked if there would be a Whigmaleerie Day this fall. There will not. Alan Revis stated the Civitan Club is discussing doing a festival of some sort, perhaps in conjunction with their Christmas bazaar. It may not be this year.

There being no further business to come before the council, Terry Newman made a motion to adjourn; Don Davis seconded. The motion passed with a unanimous vote.

The meeting was adjourned at 6:58 P. M.
