Mayoral Announcements

The mayor reminded everyone to go to the polls and vote tomorrow. Polls will be opened from 7:00 A. M. to 7:00 P. M.

Mayor McCarty asked Roger Perry to report on the progress of the Highway 25 project. He stated there have been a few times when one lane traffic has extended past 3:00 P. M. The next phase will involve moving water lines between Paul's Shell and McGowan Road. Sewer lines have already been moved, and the water lines will not take as much time as that did. The road will be closed to all traffic one weekend from 6:00 P. M. Friday to 6:00 A. M. Monday. When the dates are set, the Town will be notified at least forty-eight hours in advance. Probably the earliest this will occur will be the weekend of November 15th and 16th. The mayor asked if the information could be put on the new sign at the Wilsonville Baptist Church when it becomes available; Patricia Johnson will check on this. Improvement work has been done on the drainage ditch behind Paul's Shell at Town expense. Alan Revis asked if the ditch running beside Highway 25 will still be there at the completion of the project. The mayor stated a ditch will be there but will be farther from the road than it is now. He plans for the Beautification Board to do some planting of trees between the road and the ditch when the road work is complete.

Town Clerk Kay Ray read a thank you letter from the Wilsonville Elementary School for the \$3,000.00 donation from the Town.

The town clerk reported on the October 30, 2014, Planning and Zoning Board meeting at which the board voted to recommend approval of a request for changing the zoning on a parcel of property located on Carlson Road from Holding Zone District to Agricultural District. There is a planned group home for young autistic adults. The property was placed in the Holding Zone District due to its proximity to the proposed route of Highway 145; however, the completion of Highway 145 seems to be nonexistent now. The property was formerly zoned Agricultural, and there was an assisted living facility there. The council will need to address the issue at the November 17, 2014, meeting.
