Public Comment

Kay Ray stated the complaint from Councilman Gill at the last meeting was not accurate. The customer, in question, spoke to the utility clerk, not the town clerk. She stated she thought she had a leak because her bill was high. Danny Edwards checked the meter and found no evidence of a leak, at which time the customer was told nothing could be done by the town. The customer paid the bill and seemed to have no problem with that.

The Town Clerk stated it would be appreciated if any member of the council received a complaint about an employee he or she would call Town Hall and get both sides of the issue before presenting it at a council meeting.

The Town Clerk stated, at this time, one candidate has qualified to run for mayor and seven candidates have qualified to run for council. Tomorrow is the final day for qualification; the office will remain open until 5:00 P. M. If there are no other candidates, Wilsonville will not have to have an election.

There being no further business to come before the council, Ricky Morris made a motion to adjourn the meeting. Calvin Gill seconded. There was unanimous approval.

The meeting was adjourned at 6:07 P. M.
