The mayor attended the City, County Government Seminar and the Alabama League of Municipalities Convention.

The mayor was instrumental in placing Alabama Power Company coal ash removal on the League legislative agenda.

The Shelby County Mayor's Association met and are opposing a bill to preempt municipal rights-of-way. It appears this bill will not pass. There are some changes in the process of obtaining needed property.

June 6, the Shelby County Chamber of Commerce will meet in Columbiana.

June 30, the annual God and Country Celebration will be held in Wilsonville.

The Homestead complaint, from the last meeting, has been addressed by the Shelby County Development Office. This is a zoning issue and our zoning is administered at that level. It was

suggested, at the last meeting, the issue needed to go before the Planning and Zoning Board which is not correct. It was also suggested the Homestead Homeowners Association should address the issue; however, the Homestead HOA has been inactive for a number of years and as a result, no longer exists.

Figures for the Highway 25 Sidewalk project were incorrectly quoted at the last meeting. The project is a half million dollar project and will cost the Town \$100,000.00.

Council Comment

Ivan Greene announced the Wilsonville United Methodist Church will celebrate its one-hundred-fiftieth anniversary, Sunday, October 13, 2019. All former pastors will be invited. A soup and cornbread lunch will be served. The gospel group, Redeemed, will be singing from 1:00 to 2:00 P. M. He asked if the town stage could be used for the event. It can. Robin Griffin stated there are old scrapbooks in the library with pictures which may be copied, if needed. The event can be put on the Facebook page, as well.

Gordon Fluker said Mr. Frisinger will begin work at Central Park Wednesday. He will provide proof of insurance. He will be doing all the park maintenance except the fountains from now on.

Ricky Morris reported the baseball season at Helms Park was a success.

Blake Ray asked about the mulch for Oak Meadow Park. That work was begun today. Roger Perry stated the mulch has been placed around the equipment where the anchors were sticking up, to cover the anchors. Not as much will be needed around the swings. There is probably enough to complete the work, but there will not be any mulch left over.

Larry Cohill stated the next Census Meeting is June 6, 2:00 P. M., in Pelham.

Gordon Fluker said he thinks we need more swings at Oak Meadow Park. There is a line for using the existing swings, at times. He will get some prices to present at the next meeting.

Councilman Fluker will also contact the county representative about the lighting at Oak Meadow.
