Mayor/Council Comment

Blake Ray encouraged everyone to go look at Helms Park. A lot of work has been done at the park and a lot of cleaning. The girls' softball teams will be practicing there and will have some tournament games there this spring, as well.

Larry Lowe asked about the door at the Revis Building. Richard Atchison stated he has a game plan to repair the door.

Melissa Rosetta stated she would like to move the Ville Market from the Town Hall Parking Lot to Central Park this year. She stated there is a large hole in the road from Highway 61 to the Revis Building that needs attention. She suggested asking Norfolk Southern Railroad to repair it since we lease that area from them. She would like the area around the Revis Building leveled for parking and improvements made at the entrance off of Highway 25. Roger Perry stated we cannot do anything about the entrance off of Highway 25. She asked if the Revis Building could be open during the event so vendors can have access to the restroom. It cannot. She stated we will have to get porta-potties.

Public Comment. There was none.

There being no further business to come before the council, Richard Atchison made a motion to adjourn the meeting. Don Belcher seconded and the motion received unanimous approval.

The meeting was adjourned at 6:48 P. M.
