Mayor/Council Committee comments:

The Mayor called attention to the Audit books that were handed out this meeting to each of the council. He mentioned that Wayne Barber from DeLoach, Barber & Caspers would be at our next Council meeting to go over their findings. The replacement piece for the slide at Oak Meadow Park had arrived today 10/17 and would be installed quickly.

Melissa Rosetta asked about the cameras at Oak Meadow, if they are working and who is in control of the footage. She said we need to have them working as vandalism is becoming more of a problem. No one knew the answer to this question.

Public Comments:

There were no public comments.

There being no further business to come before the council, Richard Atchison made a motion to adjourn the meeting; Don Belcher seconded. The motion received unanimous approval.

Meeting adjourned at 6:40 P.M.
